A DAY TO REMEMBER AND TREASURE

We're here to help you achieve your dream wedding day. We do this by combining our passion, attentiveness, skills and experience to plan and deliver a seamless day of fabulous memories, punctuated with wonderful food and drink.

"What was wonderful was the way you helped us create the day we've long dreamt of. We wanted to put our own stamp on the day, and you helped us do just that. We really did feel the day was personal to us, and all the more special for it."

YOUR HAPPINESS IS OUR GOAL

“You’ve no doubt been dreaming of your perfect wedding day for a very long time, and we’re here to make sure that it exceeds all of your expectations.”

Together we’ll create the most exciting day imaginable, where your celebrations go hand in hand with delicious food and drink. Along the way we’ll be there, providing ideas, guidance and inspiration. On the day itself we’ll be right at your side and will take responsibility for every single last detail.

We’re all about weddings. We understand both the significance of the occasion and that essential requirement to kick off your shoes and celebrate with family and friends whilst enjoying a fabulous party! We know exactly what it takes to create cherished memories on your big day, and this is what truly makes us your dream wedding partner.”

YOUR DAY, YOUR WAY

Your wedding breakfast is the most significant meal you’ll ever share with your family and friends. Knowing this, we’re absolutely committed to ensuring that your whole wedding celebration, from start to finish, is precisely the way you’ve dreamt it would be. Above all else, we want to help you create memories that will last a lifetime.

“We feel that you added something special to our wedding day that will be in our memories for a long time to come.”

BRIMFUL OF IDEAS

At Galloping Gourmet, we live in the world of weddings and help to set the pace of the latest trends, ideas and styles. Whether you're looking for inspiration for your whole day, or just want to add something extra to make it truly your own, we're here to help. Most of all, we never lose sight of the fact that it's your day – both unique and incredibly special.

"We're really grateful for the advice and tips you offered along the way, and for the ideas you suggested for both our wedding breakfast and evening celebrations. What we particularly appreciated is that you didn't force any ideas on us, just made suggestions when you thought they'd be appropriate."

LEAVING NOTHING TO CHANCE

We know from experience that planning and holding a wedding can be both exciting and occasionally nerve-wracking. We put all of our expertise at your service, providing advice and guidance throughout. Every single member of our team combines professionalism with friendliness and empathy, to ensure everything is under control, exactly as you'd wish.

"We wanted to take the time to email you to say a massive thank you for all your help not just on Saturday but also throughout the whole planning process. Saturday was just perfect for us and it ran so smoothly. It was literally the most perfect day."

"Thank you so much for everything over the last 18 months!"

KEEPING IN REGULAR CONTACT

From the day we first meet, you'll see that our Events Managers have your best interests at heart. They'll be there at your side to provide support and advice whenever you need it. They'll also be in regular contact, guiding you through the excitement, challenges and decision-making in the lead-up to your big day and all that goes with it.

"We wanted to let you know that we had the most beautiful and memorable day, which exceeded all of our expectations. Everything from the communications to the support leading up to it was superb."

SMOOTH RUNNING

We live and breathe weddings at Galloping Gourmet, and our front-of-house teams are professionally trained to deliver every aspect of your big day – exactly as you planned it. Each of the teams, including waiting, bar and chefs brigades, will be dedicated to you and your wedding alone. They'll ensure your day runs smoothly, so that you can relax and enjoy the celebrations.

"You organised everything so well, and it went exactly as we had hoped – in fact, no, better than we had hoped! You did a really great job, and we didn't have to worry about anything at all; we were able to just relax and enjoy ourselves."

STYLISH FOOD SUITED TO ALL TASTES, PREPARED FROM THE HEART WITH THE FRESHEST OF INGREDIENTS

We serve modern British and European food, which looks every bit as good as it tastes. Presented in a range of different packages, our menus give you plenty of choice – from classic flavours through to lots of new and innovative dishes. We also cater for all dietary requirements, so that everyone is included. We'd love nothing more than to design a bespoke menu for you and make your wedding breakfast uniquely yours.

"People couldn't get over how amazing the food was, and we had so many comments throughout the day about the incredible food and the amazing service. Quite a few of our guests are very well travelled, and they were just in awe of what they were served on Saturday!"

All of our food is expertly and imaginatively prepared on site in our venue kitchen by our team of talented chefs. We use the freshest seasonal ingredients, sourced from hand-picked suppliers known for the quality of their produce. Schooled to a very high standard, and trained at some of the finest restaurants, all of our chefs are dedicated to creating food which will exceed your expectations – with love and from the heart.

SERVICE WITH MUCH MORE THAN JUST A SMILE

On your special day, you and your guests should be thinking about only one thing – having a fabulous, fun time. All of our staff are professionally trained to ensure that the service you receive achieves this end. We understand the importance of a friendly smile, of being truly attentive and accommodating, and of using intuition and empathy to ensure every single one of your guests, enjoys their day to the full.

"I felt from the very moment I arrived on the morning of my wedding I was in a different world. For every member of staff nothing was too much. They were smart, professional and totally charming, something all my guests commented on."

BRINGING IT ALL TOGETHER

We'll be there with you every single step of the way. We'll help you to co-ordinate everything and everyone you'll need for your wedding, including your entertainers, florists, DJs and photographers. Between us all we'll make your day an incredible day to remember.

"We were really impressed with one of the florists they provided the details for. We met and shared our ideas with her, and she took these and made them so much better. What was also reassuring was the way she talked about the Galloping Gourmet team and the beauty of the venue."
